

Supplemental evidence, in support of Motion to be granted pro bono legal representation.

Ben Gross
(plaintiff)

Vs.

11-4998

David Maitlin.
(defendant)

July 2nd, 2012

Dear Honorable Judge,

In addition to previous filing, please accept this supplemental letter and further evidence of the defendants continuing harassing nature.

I just received another 'package' from the defendants to my home address, despite advising him for many years that mailing here constitutes harassment.

I am enclosing the entire package, unopened and unread.

This is the THIRD mailing to my home address since he was served with my complaint.

Again, if there is a need for any legal correspondence he has my correct mailing address. However, he prefers to harass me at home.

Thank you for your consideration, in the interest of serving true justice,

Yours truly,

Ben Gross
Plaintiff
